## Google Workspace is ready for you

Set up your Google Workspace account to start using business email, video conferencing, cloud storage, file sharing, and more.

### Get started

Before using Google Workspace Business Starter, verify that you own contact.us. Sign in to your Google Admin console and follow the setup steps.

### Your Google Workspace account

**Username:**  
about@contact.us

**Domain:**  
contact.us

You're the administrator. You manage all your Google Workspace services, settings, and users.
